

# We never give up on giving back.

For so many of us, helping other is just a part of who we are. And we have a chance to help everyone right now by getting a COVID-19 vaccine as soon as we can.

Until you're fully vaccinated (2 weeks after your final dose), wear a mask inside public places (even fully vaccinated people in areas of substantial or high spread of [COVID-19](#) should wear a mask inside public places to maximize protection from the highly contagious Delta variant and prevent possibly spreading it to others), stay at least 6 feet apart from people who don't live with you and who may not be vaccinated, and avoid crowds.

That's how our helping hands will be together face-to-face again.

**You have three ways to find vaccines near you:**

- **Go to [vaccines.gov](https://vaccines.gov)**
- **Text your ZIP code to 438829**
- **Call 1-800-232-0233**
